

Circular.

St James's 26th April 1791.

Sir

I send you the inclosed Gazette extraordinary published yesterday and heartily congratulate you on the important news it contains. I also send you the Gazette of this evening with the Intelligence received this Day from Admiral Arbuthnot of his having entirely defeated the intended Expedition of the French, which will greatly facilitate Lord Cornwallis's operations.

I am with great Respect and Regard

Sir

Your most obedient
humble servant
